

Spiritual Vigil for Democracy in America

Dear student of the ascended masters,

You are invited to join a spiritual vigil for democracy in America starting Monday, May 1, 2023, and ending August 13, 2023.

We will not meet at a pre-determined time online or in person, but ask instead that you participate on your own, and as your schedule allows. This flexibility should ensure maximum participation.

We know that the energy generated by our voices will have an effect. This vigil was initiated by ascended master students in the U.S. as inspired by the vigils organized by Kim over the last two+ years.

If you have any questions, please contact me.

Thank you,

Mary
